Re 14th Cambridge Scout Group Minibus

It is a 17 seater Leyland diesel minibus fully fitted with seatbelts. It can be hired at 60p per mile. This includes fuel, on long journeys you will need to purchase fuel , keep a receipt and this will be deducted from your charge.

It is registered with a Breakdown Recovery organisation. (details in Minibus). An information card and set of drivers rules are kept in the Minibus.

It is kept at Chesterton Community College. Keys are kept by the school and by the Minibus manager (Richard Stagg, 165 Gilbert Road, Cambridge, CB4 3PA, 01223 503414, Richard.stagg@ntlworld.com)

Bookings are usually taken by Richard Stagg but can be taken by the school for use during school hours.

Drivers must be over 25 and complete a 'driver insurance form' as their name needs to be notified with the insurance company. A photocopy of their driving licence needs to be attached to the form. The organisation hiring the minibus needs to have a 'section 19' form (legal requirement).

Individuals cannot hire the bus.

Copies of Section 19 applications and the insurance forms can be got from Richard Stagg.

A log sheet is to be completed for each journey and then passed onto the minibus manager, (with any petrol receipts).
